The Group shall review the RRPTs based on the following procedures:

- (i) the Related Parties, interested Directors and Persons Connected will be advised that they are subject to the shareholders' mandate and will also be advised of the review and disclosure procedures;
- (ii) The transaction prices, terms and conditions which are market driven are to be determined at arms' length on a customer/supplier relationship basis at mutually agreed rates after due consideration of benefits to be derived from the transaction, under similar commercial terms for transactions with unrelated third parties, which depend on demand and supply, quality, level of service and other related factors;
- (iii) Some transactions may be on a cost recovery basis, being recovery of part of the costs for sharing or provision of some services or on a negotiated basis where both parties would contract on terms which are mutually acceptable and beneficial;
- (iv) The management of the TFP Group is cognizant that all RRPT(s) are required to be undertaken on an arm's length basis and on normal commercial terms. Where practicable and feasible, quotation and/or tenders will be obtained from at least two (2) other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where it is impractical or impossible for quotes and/or tenders to be obtained from unrelated parties, or where there have not been any similar or substantially similar transactions between TFP Group and unrelated third parties, the terms of the transactions for the products or services will be in accordance to the usual business practices of the Group to ensure that the RRPT(s) is not detrimental to the TFP Group;
- (v) Where RRPT(s) is one with a value equal to or in excess of RM1.0 million, it will be reviewed and approved by the Directors of the Company who has no interest in the transaction. Where the RRPT(s) is one with a value below RM1.0 million, it will be reviewed and approved by the Executive Director or the Board;
- (vi) Records will be maintained by the respective companies to capture all RRPT(s) which are entered pursuant to the shareholders' mandate;

- (viii) The Board and Audit Committee shall review the internal audit reports to ascertain that the guidelines and procedures to monitor RRPT(s) have been complied with; and
- (ix) The Board shall have overall responsibility for the determination of the review procedures. If a member of the Board and Audit Committee has an interest in the transaction to be reviewed by the Board and Audit Committee, as the case may be, he will abstain from any decision making by the Board or Audit Committee in respect of the said transaction.

## **2.5 Disclosure in Annual Report**

The Audit Committee shall review these procedures and processes once a year. This is to ensure that RRPTs are not detrimental or prejudicial to the minority shareholders of the Company.

## **2.7 Amount Due and Owing by the Related Parties pursuant to the RRPTs**

As at LPD, there is no amount owing by the Related Party pursuant to the RRPTs that has exceeded the credit terms.

## **3. RATIONALE FOR THE PROPOSED RRPTs MANDATE**

The Proposed RRPTs Mandate will enable the TFP Group to carry out RRPTs necessary for the Group's day-to-day operations, which are time sensitive in nature, and will eliminate the need to announce and convene separate general meetings (if applicable) from time to time to seek Shareholders' mandate for such transaction. This will substantially reduce the expenses, time and other resources associated with convening of general meetings on an ad hoc basis, improve administrative efficiency and allow financial and manpower resources to be channeled towards attaining other corporate objectives.

The RRPTs carried out within the TFP Group creates mutual benefits for the companies in the Group, such as expediency and increased efficiency necessary for day-to-day operations.

In addition, the RRPTs are intended to meet the business needs of the Group on the best possible terms. By transacting with the Related Parties, the Group would have an advantage of familiarity with the background and management of the Related Parties, thus enabling more informed commercial decisions to be made. In most dealings with the Related Parties, the Group and the Related Parties have close co-operation and a good understanding of each other's business needs thus providing a platform where all parties can benefit from conducting the RRPTs.

#### 4. EFFECTS OF THE PROPOSED RRPTs MANDATE
